OPTIMAL SERVICE

We assist you upon receipt of your brief with **graphic proposals** that highlight our strengths (techniques and placement of embroidery, etc.) to support the quote. In order to control lead times, we have chosen to keep a buffer stock of the best-selling colours. Deliveries vary from **5 to 8 weeks**, depending on the choice of your options and our colour stocks.

DURABILITY AND QUALITY

Every new order starts from raw fabric. No prefabricated products. We pay particular attention to the **quality** of the fabrics we use, in terms of **weight, softness, and touch feeling**. Our fabrics are not only beautiful, they are **strong and durable**.
